Independent Auditor's Report

Board of Directors United Food Bank and Waste Not Mesa, Arizona

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of United Food Bank and Waste Not (the "Organization") which comprise the statement of financial position as of June 30, 2024, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the United Food Bank and Waste Not as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in the *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are required to be independent of United Food Bank and Waste Not, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Year Audited by Other Auditors

The 2023 consolidated financial statements were audited by other auditors, and their report thereon, dated October 19, 2023, expressed an unmodified opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about United Food Bank and Waste Not's ability to continue as a going concern within one year after the date that these consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of Organization's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompany consolidating supplementary information is presented for the purpose of additional analysis and is not a required part of the consolidated financial statements. The accompanying consolidated schedule of expenditures of federal awards, as required by the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also included our report dated March 20, 2025, on our consideration of United Food Bank and Waste Not's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Food Bank and Waste Not's internal control over financial reporting and compliance.

Note 1. Organization

The United Food Bank, located in Mesa, Arizona, is a nonprofit organization that was incorporated in February 1985 to serve as a distribution center in the Phoenix, Arizona metropolitan area for donated food and supplies. The mission is to stabilize the lives of hungry, low income people within in Eastern Maricopa, Gila and Pinal, and Southern Navajo and Apache Counties of Arizona by actively acquiring, storing and distributing large quantities of wholesome and nutritious foods to our network of community and strategic partners, combined with advocacy and education initiatives that enhance lives.

On July 1, 2019, Waste Not became a subsidiary organization of United Food Bank (collectively, the "Organization"), creating a food rescue division of the Food Bank. Waste Not rescues and distributes excess prepared and perishable food from restaurants, resorts, caterers, grocers, and event venues. They are creating sustainable food systems that help people and the planet flourish. They do so by eliminating food waste and hunger through innovative community partnerships.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for special projects and board-designated endowment.

Net assets with donor restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restriction when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Principles of Consolidation

The consolidated financial statements include the accounts of United Food Bank and Waste Not. All significant intercompany balances and transactions have been eliminated in consolidation.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments purchased with an initial maturity or three months or less to be cash and cash equivalents. At times, amounts may exceed Federal Deposit Insurance Corporation insured limits.

Certificates of Deposit

Certificates of deposit ("CDs") at June 30, 2024, have varying interest rates and maturity dates in 2024 and are carried at cost. The Organization considers CDs to be fully realizable; accordingly, no expected credit losses are required as of June 30, 2024. The Organization does not believe there are significant credit risks associated with these CDs.

Grants Receivable

Grants receivable are stated at the amount management expects to collect. Management provides for probable uncollectible amounts through a charge to earnings and a credit to a valuation allowance based on the assessment of the current status of individual balances. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and credit to contributions and grants receivable. Management considers the grants receivable to be fully collectible, and therefore, an allowance for doubtful accounts is not deemed necessary.

Inventories

Donated inventories are stated at the estimated value per pound of \$1.93 and \$1.92 as of June 30, 2024 and 2023, respectively, as determined by Feeding America, a national association of food banks, which provides assistance and valuation of food commodities. Purchased inventories are stated at the lower of first-in, first-out (FIFO) basis cost or net realizable value.

Investments

The Organization measures its investments at fair value, based on the quoted market prices. The Organization's investments are exposed to various risks such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that those changes in the values of investments will occur in the near term and that such changes could be material to the amounts reported in the consolidated statements of financial position.

Net Investment Income

Investment income includes dividend, interest, and other investment income; realized and unrealized gains and losses on investments carried at fair value; and realized gains and losses on other investments, less external and direct internal investment expenses. Gains and losses on the sale of securities are recorded on the trade date and are determined using the specific identification method.

Investment return that is initially restricted by donor stipulation and for which the restriction will be satisfied in the same year is included in net assets without donor restrictions. Other investment return is reflected in the consolidated statements of activities with or without donor restrictions based upon the existence and nature of any donor or legally imposed restrictions.

Property and Equipment

Property and equipment is stated at cost or estimated fair value if contributed. Depreciation is recorded and computed using the straight-line method over the estimated useful life of each asset. The Organization capitalizes assets with a basis of \$2,500 or more and an estimated useful life of one year or more.

The estimated useful lives of each major depreciable classification of property and equipment are as follows:

Buildings and improvements 30 years
Vehicles 5 years
Machinery, equipment and furniture 5 years
Website 5 years

Deferred Revenues

Revenue from fees for programs is deferred and recognized over the periods to which the fees relate.

Grants and Contributions

Contributions are recognized as revenue when they are received. Contributions received are recorded as with or without donor restrictions depending on the existence and/or nature of any donor restrictions. Support funded by grants is recognized as the Organization meets the conditions prescribed by the grant agreement, performs the contract services or incurs outlays eligible for reimbursement under the grant agreements. Grant activities and outlays are subject to audit and acceptance by the grant agency and, as a result of such audit, adjustments could be required.

When a donor stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Absent explicit donor stipulations for the period of time that long-lived assets must be held, expirations of restrictions for gifts of land, buildings, equipment, and other long-lived assets are reported when those assets are placed in service.

Gifts and investment income having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Conditional contributions having donor stipulations which are satisfied in the period the gift is received are recorded as revenue and net assets without donor restrictions. Conditional promises outstanding at June 30, 2024 and 2023, were \$950,000 and \$1,568,331, respectively.

Functional Allocation of Expenses

The costs of supporting the various programs and other activities have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses present the natural classification detail of expenses by function. Certain costs have been allocated among the program, management and general and fundraising categories based on the square footage and payroll allocations.

Advertising Costs

The Organization uses advertising to promote its programs to the various groups it serves. Advertising costs are charged to operations as incurred. Advertising expense charged to operations were \$339,067 and \$375,556 for the years ended June 30, 2024 and 2023, respectively.

Income Taxes

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and, therefore, no provision for federal income taxes has been recorded. In addition, the Organization qualifies for charitable deductions under Section 170 of the Code and has been classified as an organization that is not a private foundation.

The Organization files tax returns in the U.S. federal jurisdiction.

The Organization follows a policy that clarifies the accounting for uncertainty in income taxes recognized in an organization's consolidated financial statements. The policy prescribes a recognition threshold and measurement principles for the financial statement recognition of tax positions taken or expected to be taken on a tax return that are not certain to be realized. The policy has had no impact on the Organization's consolidated financial statements.

Benefits

The Organization has a partially self-insured health benefit program covering medical and prescription claims. The plan includes a stop-loss provision that insures claims exceeding \$293,724 up to a maximum of \$25,000 per person or \$1,000,000 in total.

Liabilities for health insurance claims incurred but not reported are estimated based on historical claims. At June 30, 2024 and 2023, the provision for health insurance claims incurred but not reported was \$143,587 and \$39,189, respectively.

Revisions

The June 30, 2023, advertising note disclosure amount was revised for an immaterial error from \$432,291 to \$375,566.

Reclassification

Certain reclassifications have been made to the 2023 consolidated financial statements to conform to the 2024 consolidated financial statement presentation. These reclassifications had no effect on the change in net assets.

Subsequent Events

Subsequent events have been evaluated through March 20, 2025, which is the date the consolidated financial statements were available to be issued.

Note 3. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of June 30, 2024 and 2023:

	2024	2023
Total financial assets Less: Donor-imposed restrictions	\$ 13,629,07 2,000,68	
Financial assets available to meet cash needs for general expenditures	<u>\$ 11,628,38</u>	9 <u>\$ 11,016,047</u>

The Organization's endowment funds consist of donor-restricted endowments and funds designated by the Board as endowments. Income from donor-restricted endowments is restricted for specific purposes, with the exception of the amounts available for general use. Donor-restricted endowment funds are not available for general expenditure.

The board-designated endowment has been set aside for future needs. Although the Organization does not intend to spend from this board-designated endowment, these amounts could be made available if necessary. To help manage unanticipated liquidity needs, the Organization may utilize the board-designated endowment.

The Organization manages its liquidity and reserves following three guiding principles: operating within a prudent range of financial soundness and stability, maintaining adequate liquid assets to fund near-term operating needs, and maintaining sufficient reserves to provide reasonable assurance that long-term obligations will be discharged.

Note 4. Grants Receivable

The Organization receives its grant support through periodic claims filed with the respective funding sources, not to exceed a limit specified in the funding agreement. Since the consolidated financial statements of the Organization are prepared on the accrual basis, all earned portions of the grants not yet received as of year end have been recorded as receivables. Grants receivable were \$226,122 and \$437,877 as of June 30, 2024 and 2023, respectively. As of June 30, 2024 and 2023, 75% was from two granting agencies. The receivables are all due within the next 12 months.

Note 5. Inventories

Inventories consist of the following at June 30, 2024 and 2023:

	_	2024	 2023
Donated Purchased USDA commodities	\$	336,501 146,212 1,753,545	\$ 338,888 173,150 1,411,748
OSDA Commodities		1,733,343	 1,411,740
	<u>\$</u>	2,236,258	\$ 1,923,786

Note 6. Investments Restricted for Long-Term Purposes

Investments are stated at fair value and consist of the following at December 31:

	 2024	 2023
Equity securities Interest in Arizona Community Foundation Investment Pools	\$ 17,496 2,460,500	\$ 13,516 2,179,365
	\$ 2,477,996	\$ 2,192,881

The Organization holds assets in an agreement with the Arizona Community Foundation. The funds are stated at fair value, which was determined based on quoted market prices of the underlying holdings. As both the resource provider (the transferor of assets to the Arizona Community Foundation) and as the self-named beneficiary, United Food Bank and Waste Not recognizes the funds held by the Arizona Community Foundation as long-term

investments and classifies the funds in long-term assets. The Arizona Community Foundation holds these assets in a board-advised fund with the income and principal available for distribution to the Organization subject to the Organization's board of directors' approval and subject to the Organization advising that the distribution be made in accordance with the provisions of the agreement.

Note 7. Fair Value Disclosures

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. The hierarchy comprises three levels of inputs that may be used to measure fair value:

- Level 1 Quoted prices in active markets for identical assets or liabilities
- **Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- **Level 3** Unobservable inputs supported by little or no market activity and that are significant to the fair value of the assets or liabilities

Recurring Measurements

The following tables present the fair value measurements of assets recognized in the accompanying consolidated statements of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at June 30, 2024 and 2023:

		Fair value measurem	ents at June 30. 202	4 usina:
Assets measured at fair value:	Fair value at June 30, 2024	Quoted prices In active markets for identical assets and liabilities (Level 1 inputs)	Quoted Prices for similar assets and liabilities (Level 2 inputs)	Significant Unobservable inputs (Level 3 inputs)
Interest in Arizona Community Foundation Investment Pool Equity securities	\$ 2,460,500 17,496	\$ - 17,496	\$ - -	\$ 2,460,500
Total assets	<u>\$ 2,477,996</u>	<u>\$ 17,496</u>	<u>\$</u>	\$ 2,460,500
		Fair value measuren	nents at June 30, 202	3 using:
Assets measured at fair value:	Fair value at June 30, 2023	Quoted prices In active markets for identical assets and liabilities (Level 1 inputs)	Quoted Prices for similar assets and liabilities (Level 2 inputs)	Significant Unobservable inputs (Level 3 inputs)
Interest in Arizona Community Foundation Investment Pool Equity securities	\$ 2,179,365 13,516	\$ - <u>13,516</u>	\$ - -	\$ 2,179,365
Total assets	<u>\$ 2,192,881</u>	<u>\$ 13,516</u>	<u>\$</u>	\$ 2,179,365

Following is a description of the valuation methodologies and inputs used for assets measured at fair value on a recurring basis and recognized in the accompanying consolidated statements of financial position, as well as the general classification of such assets pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the year ended June 30, 2024. For assets classified within Level 3 of the fair value hierarchy, the process used to develop the reported fair value is described below.

Investments

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections, and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy.

Interest in Assets at Arizona Community Foundation

Fair value is estimated using the fair value of the underlying investments. Due to the nature of the valuation inputs, the interest is classified within Level 3 of the hierarchy.

Note 8. Property and Equipment, Net

Property and equipment consisted of the following at June 30:

	2	2024	 2023
Land Buildings and improvements Vehicles Machinery, equipment and furniture Website		3,116,922 8,178,075 3,244,883 814,379 20,080	\$ 3,116,922 8,061,796 2,670,058 801,864 20,080
Less: accumulated depreciation		5,374,339 4,987,979)	 14,670,720 (4,084,204)
Construction in progress	1	0,386,360 152,158	 10,586,516 349,268
Property and equipment, net	<u>\$ 10</u>	<u>0,538,518</u>	\$ 10,935,784

Note 9. Note Payable

The Organization is obligated under the terms of a note payable issued for a property and building at 308-310 S Extension Rd. which is secured by the property and building. The note requires monthly payments, including interest at a fixed rate of 4.25% through 2026 and an adjustable rate thereafter of Wall Street Journal Prime rate +1.25% with a floor of 4.25% and a cap of 6.25%. All unpaid principal and interest is due on December 27, 2031.

The annual maturities of the long-term debt at June 30, 2024, are as follows:

<u>Year</u>	Amount
2025	\$ 71,801
2026	74,929
2027	77,460
2028	80,000
2029	83,924
Thereafter	1,445,383
Total	1,833,497
Less: Current maturities	71,801
Less: Unamortized loan costs	<u>15,300</u>
Note payable, net	<u>\$ 1,746,396</u>

Note 10. Net Assets With Donor Restrictions

Net assets with donor restrictions consisted of the following at June 30:

	2024	2023
Subject to Expenditure for Specific Purpose:		
Costco – Kids Life	\$ -	\$ 40,909

Total Not / 1000to With Donor Nostriotions	Ψ 2,000,000	<u>Ψ 1,002,119</u>

Net assets with donor restrictions of \$3,295,569 and \$1,262,914 were released from restrictions when the activity or time restrictions were met as of June 30, 2024 and 2023, respectively.

Note 11. Endowments

The Organization's governing body is subject to the Uniform Prudent Management of Institutional Funds Act (UPMIFA). As a result, the Organization classifies amounts in its donor-restricted endowment funds as net assets with donor restrictions because those net assets are time restricted until the governing body appropriates such amounts for expenditures. Most of those net assets also are subject to purpose restrictions that must be met before being reclassified as net assets without donor restrictions.

Additionally, in accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1. Duration and preservation of the fund
- Purposes of the Organization and the fund
- 3. General economic conditions
- 4. Possible effect of inflation and deflation
- 5. Expected total return from investment income and appreciation or depreciation of investments
- 6. Other resources of the Organization
- 7. Investment policies of the Organization

The Organization's endowment were established for a variety of purposes. The endowment includes both donor-restricted endowment funds and funds designated by the governing body to function as endowments (board-designated endowment funds). As required by accounting principles generally accepted in the United States of America (GAAP), net assets associated with endowment funds, including board-designated endowment funds, are classified and reported based on the existence or absence of donor-imposed restrictions.

Funds with Deficiencies

It is the Organization's policy to maintain the corpus amounts of each individual donor-restricted endowment fund received. If the fair value of assets associated with Individual donor-restricted endowment funds were to fall below the level that the donor or the Act requires, deficiencies of this nature are reported in net assets with donor restrictions. There were no deficiencies of the fair value of assets associated with individual donor restricted endowment funds below the level the donor or the Act requires the Organization to retain as a fund of perpetual duration as of June 30, 2024 and 2023.

Return Objectives and Risk Parameters

The Organization has adopted investment and spending policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to preserve and grow capital, strive for consistent absolute returns, preserve purchasing power by striving for long-term returns which either match or exceed the set payout, fees and inflation without putting the principal value at imprudent risk, and diversify investments consistent with commonly accepted industry standard to minimize the risk of large losses.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). Management targets a diversified asset allocation that meets the Organization's long-term rate of return objectives while avoiding undue risk from imprudent concentration in any single asset class or investment vehicle.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Organization's spending policy is consistent with its objective of preservation of the fair value of the original gift of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

Endowment net asset composition by type of fund as of June 30 is as follows:

		2024	
	Without Donor Restrictions	With Donor Restrictions	Total
Board-Designated Donor-Restricted	\$ 2,020,199 	\$ - <u>913,777</u>	\$ 2,020,199 <u>913,777</u>
Total assets	<u>\$ 2,020,199</u>	<u>\$ 913,777</u>	<u>\$ 2,933,976</u>
		2023	
	Without Donor Restrictions	With Donor Restrictions	Total
Board-Designated Donor-Restricted	\$ 1,813,902 	\$ - <u>819,444</u>	\$ 1,813,902 819,444
Total assets	<u>\$ 1,813,902</u>	<u>\$ 819,444</u>	\$ 2,633,346

The following table outlines the change in endowment net assets and the classification and use of earnings from endowments for the years ended June 30, 2024 and 2023:

	Without Donor Restrictions	With Donor Restrictions	Total
Endowment net assets,

Note 12. Retirement Plan

The Organization sponsors a 401(k) plan that covers all employees who meet specified age and service requirements. Each participant may contribute eligible compensation to the plan on a pretax basis up to the maximum allowed by the IRC. The plan also provides for discretionary contributions by the Organization. The Organization made contributions to the plan during the years ended June 30, 2024 and 2023 of \$71,397 and \$61,246, respectively.

Note 13. Leases

The Organization began leasing office space to an unrelated party in December 2021. The lease initial lease term expired on December 31, 2022, and continued on a month-to-month basis through August 2023. Rental revenue recognized by the Organization was \$64,569 and \$351,414 during the years ended June 30, 2024 and 2023, respectively.

Note 14. Concentration of Credit Risk

The Organization maintains its cash deposit accounts at various financial institutions insured by the Federal Deposit Insurance Corporation (FDIC). At times, the Organization may maintain bank account balances in excess of the FDIC insured limit. The Organization has not experienced losses in such deposit accounts and believes it is not exposed to any significant credit risk in this regard.

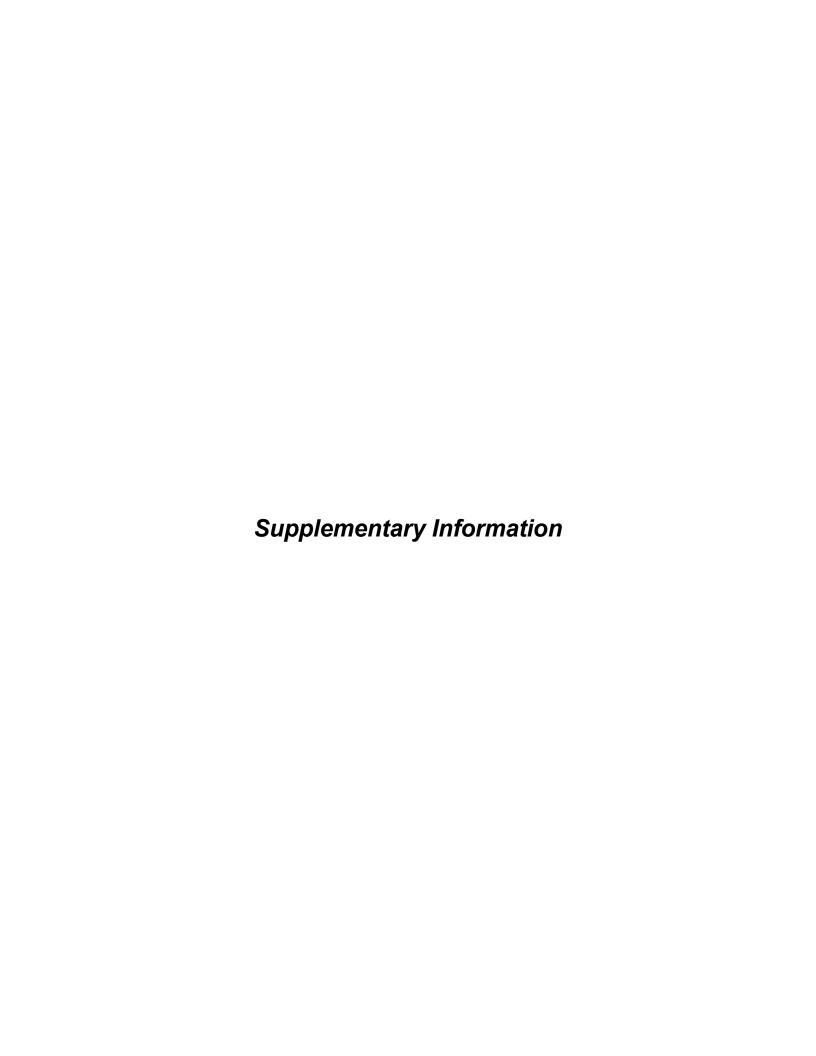

Note 15. Contributed Nonfinancial Assets

For the years ended June 30, contributed nonfinancial assets recognized within the consolidated statement of activities included:

Donated food received by the Organization is provided to partner agencies for distribution in their community to those in need. The Organization estimates the value of donated food using either the fair market value provided by the granting agency, or the estimated average price per pound as determined by Feeding America, which was \$1.93 and \$1.92 per pound for the years ended June 30, 2024 and 2023, respectively. Donated food was restricted to be utilized in the Organization's food distribution programs. The Organization does not sell donated food and only distributes the food for program use.

Donated services recognized comprise professional consulting services provided to the Organization. Donated services were valued and reported at the estimated fair value based on current rates for similar consulting services. Donated services were utilized by the Organization's programs and supporting services. There were no donor-imposed restrictions associated with the donated services.

The Organization entered into various lease agreements for office and warehouse spaces in which payments stated in the agreements are less than the amount that would be charged for similar space rented under similar terms. Donated rent was valued and reported as the difference between the fair value of the spaces rented and the consideration exchanged. The donated leased properties were utilized by the Organization's programs and supporting services. There were no donor-imposed restrictions associated with the donated rent. The lease agreements are cancelable by the lessor or the Organization within a reasonable notice period.

Note 1. Basis of Presentation

The accompanying consolidated schedule of expenditures of federal awards (the "Schedule") includes the federal grant activity of United Food Bank and Waste Not (the "Organization") under programs of the federal government for the year ended June 30, 2024. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Organization.

Note 2. Summary of Significant Account Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

The Organization has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3. Contingencies

The Organization's federal programs are subject to financial and compliance audits by grantor agencies which, if instances of material noncompliance are found, may result in disallowed expenditures and affect the Organization's continued participation in the specific programs. The amount, if any, of expenditures which may be disallowed by the grantor agencies cannot be determined at this time, although the Organization expects such amounts, if any, to be immaterial.

Note 4. Categorization of Expenditures

The categorization of expenditures by program included in the Schedule is based upon the grant documents. Changes in the categorization of expenditures occur based upon revisions to the Assistance Listing, which is issued in June and December of each year. The Schedule for the year ended June 30, 2024 reflects Assistance Listing changes issued through May 2024.

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based On an Audit of the Consolidated Financial Statements Performed in Accordance with Government Auditing Standards

Independent Auditor's Report

Board of Directors United Food Bank and Waste Not Mesa. Arizona

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of United Food Bank and Waste Not (the "Organization"), which comprise the consolidated statements of financial position as of June 30, 2024, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated March 20, 2025.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Organization's consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance for Each Major Federal Program and on Internal Control Over Compliance

Independent Auditor's Report

Board of Directors United Food Bank and Waste Not Mesa. Arizona

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Programs

We have audited United Food and Waste Not's (the "Organization") compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on the Organization's major federal program for the year ended June 30, 2024. The Organization's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2024.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Organization's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Organization's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Organization's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Organization's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the Organization's compliance with the
 compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of the Organization's internal control over compliance relevant to the
 audit in order to design audit procedures that are appropriate in the circumstances and to test and
 report on internal control over compliance in accordance with the Uniform Guidance, but not for
 the purpose of expressing an opinion on the effectiveness of the Organization's internal control
 over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the "Auditor's Responsibilities for the Audit of Compliance" section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
