M O N T H L Y  G I V I N G

## Your Support Matters

Monthly giving provides sustainability to keep Waste Not operations going as we bridge the gap between food waste and hunger in the Valley. Each month we have an opportunity to conserve water, energy, save money, and feed people by keeping good food out of landfills. And now you do too.

## Your Benefits

When you donate monthly, you can receive quarterly statements, milestone gifts, and be invited to special events specifically for members of the Circle.
